OPLL UMPIRE TEST

- 1. Batter hits ball into right field and in going into second, overslides second base. Batter-runner is tagged after oversliding.**
 - (a) The batter-runner is: Out or Safe
- 2. With runner on first, batter hits ground ball to first baseman who steps on first and then throws to second where the base is tagged before the runner reaches second. No tag is made on the runner at second.**
 - (a) The batter-runner is: Out or Safe
 - (b) The base runner is: Out or Safe
- 3. With runner on first, batter bunts third strike foul.**
 - (a) Batter is: Out or Not out
 - (b) Runner may: Advance or Not advance
- 4. Runner on first and second, batter bunts the third strike resulting in a foul ball which is caught by the catcher. Catcher throws the ball to first where base is tagged before runner can return. Runner on second tags and advances toward third. First baseman throws ball to third and the base is tagged before the arrival of the runner.**
 - (a) Batter is: Out or Safe
 - (b) Runner at first is: Out or Safe
 - (c) Runner at third is: Out or Safe
- 5. With a runner on third, batter swings and misses on the third strike and the ball hits the batter. The runner on third crosses home plate when the ball bounces away from the catcher.**
 - (a) The batter is: Out or Not out
 - (b) The runner: Scores or Returned to third
- 6. Runners on first and third. Batter hits ball which is not touched by the pitcher but which strikes the umpire.**
 - (a) The batter: Bats again or Awarded first base
 - (b) Runner at first: Stays at first or Awarded second
 - (c) Runner on third: Remains on third or Scores
- 7. Batter hits ball into bleachers and the ball ricochets off of a spectator's hand and into the glove of an outfielder.**
 - (a) The batter is: Out or Not out
 - (b) This is spectator interference: Yes or No
 - (c) The ball is: "Dead" or "Live"

(OVER)

- 8. With bases loaded, batter receives a walk. In moving to second base, the base runner steps beyond the bag and is tagged.**
(a) The base runner tagged is: Out or Safe
(b) The base runner who was on third at the time of the walk: Does score or Does not score
- 9. Runners on first and second. Batter hits an infield fly. When the infield fly is missed, the runner on second advances to third where that runner is tagged before reaching the base.**
(a) The batter is: Out or Safe
(b) The runner at third is: Out or Returns to second
- 10. With two outs, runners on first and third, three balls and two strikes on the batter, runners attempt double steal and catcher throws out runner at second base. Runner on third crosses home plate before tag is made at second.**
(a) Runner from third: Scores or Does not score
- 11. While batter is batting, it is discovered that an illegal bat is being used.**
(a) The batter is: Out or Not out
(b) The bat is: Removed. or Not removed
(c) The game is: Forfeited or Not forfeited
- 12. Batter listed in the fourth position of the batting order bats out of turn in place of the batter listed third in the order. The batter hits a single and before the first pitch is thrown to the next batter it is discovered the hitter was out of order and the proper appeal is made.**
(a) the batter-runner is: Out, Remains on first or Removed from base
(b) Batter listed third in the batting order is: Out or Not out
(c) After the appeal. the next batter should be:
The third batter in batting order or The fourth batter in batting order or The fifth batter in batting order.
- 13. With runner on third, batter fouls a pitch which strikes the umpire on the chest protector and rebounds into the air where it is caught by the pitcher before the ball touches the ground. The runner on third crosses home base and pitcher throws to third baseman who tags third before the runner can return.**
(a) The batter is: Out or Not out
(b) The runner: Scores or Does not score
(c) The runner is: Out or Returned to third base
- 14. With runner on third, batter bunts a foul pop up on the third strike. Catcher catches the foul ball and throws to third before runner can return to the base.**
(a) Batter is: Out or Not out
(b) Runner at third is: Out or Safe
