

# CONCESSION STAND VOLUNTEER POLICY REVISED

## Concession Stand Operations to be outsourced!

The Board of Directors has voted to outsource the operation of the Concessions Stands for the 2008 season. This action results in a both a positive and negative outcome for our members as outlined below. We have, however, attempted to minimize the bad news for those interested (See Bad News Remedy).

**Good News:-** No Volunteer Refund Fee and No requirement to work a shift in the Concession Stand.

**Bad News:-** Registration Fee increase of \$25. See below for 2008 Fee structure.

**Bad News Remedy:-** For those interested, you may take advantage of a \$25 fee rebate by signing up with our vendor for a 3 hour work shift. Sign up sheets will be made available after game schedules are published. One shift per registered player, with a maximum of two shifts per Family.
